PROFESSIONAL EXPERIENCE

Community Health Officer

Mar 2026 – Present

Wahana Visi Indonesia — Ruteng, Manggarai, NTT

- Led on-the-job training for **35 Posyandu cadres** across **3 sub-health centres (Rado, Wotok, Gumbang)**, raising knowledge by **46.2%** (pre-test 65 → post-test 95) on home-visit protocols, life-cycle health, danger signs, and digital reporting.
- Strengthened community-to-facility referral by facilitating participatory mapping across the **Puskesmas Pagal** service area, scoring village readiness and identifying priority villages and critical gaps.
- Supported the rollout of **Integrated Primary Care (ILP)** at Posyandu level, ensuring standardized service flows integrated with pregnant-women and toddler classes.
- Digitalized cadre home-visit reporting with Google Forms, with **manual checklists as backup** for areas with poor connectivity.
- Engaged the village heads of Rado and Riung, who committed to issuing **official circular letters** supporting cadre home visits, aligned with the project's **four core pillars**.

Enumerator

Sep 2025

Good Geographic Grid — North Gorontalo, Gorontalo, Indonesia

- Collected agricultural data at designated sample points in full compliance with national survey guidelines.

STBM Facilitator (Freelance)

Jan 2024 – Jul 2025 (1 yr 7 mo)

North Gorontalo District Health Office — Gorontalo, Indonesia

- Led training and mentoring for STBM implementation in **5 villages**, driving a **50% increase in ODF progress** through structured action plans and local team development.
- Developed comprehensive action plans and monitored results while engaging **100+ local community members** in sustainable health and sanitation initiatives.

Community Development Officer

Jan 2020 – Dec 2023 (4 yrs)

North Gorontalo District Health Office — Gorontalo, Indonesia

- Conducted STBM triggering in **80 villages** across North Gorontalo and trained Puskesmas sanitarians to lead triggering independently.
- Mentored **58 villages to achieve ODF status** using participatory methods, working with local government and **150+ community cadres**.
- Verified village-level SBS (ODF) and STBM status and coordinated sanitation access data with the Public Works and Village Government offices.

Enumerator — Indonesia Basic Health Survey (SKI 2023)

Aug 2023 – Oct 2023 (3 mo)

Ministry of Health of the Republic of Indonesia — North Gorontalo, Gorontalo

- Collected SKI 2023 data from **200+ households** through structured interviews, achieving **98% accuracy** through rigorous field validation.
- Contributed high-quality, validated data and insights to the national health report, focusing on sanitation access and community health indicators.

Enumerator

Nov 2021 – Dec 2021 (2 mo)

RISED — North Gorontalo, Gorontalo, Indonesia

- Surveyed **50+ BUMDes and 100+ MSMEs** on the socio-economic impact of COVID-19.
- Conducted in-depth interviews that informed policy recommendations unlocking **IDR 500 million in local investment**.

Community Development Officer

Jan 2019 – Dec 2019 (1 yr)

Gorontalo Provincial Health Office — Gorontalo, Indonesia

- Trained **6 STBM facilitators** and health-centre sanitation workers, and mentored **6 districts/municipalities** toward ODF and STBM status.
- Facilitated **40 villages to achieve ODF status** by designing and delivering training for **100+ community cadres**, resulting in a **60% increase in community participation**.
- Managed data for the national STBM website, monitored district progress, and verified SBS and STBM status.

Quality Assurance Officer

Feb 2016 – Dec 2016 (11 mo)

Universitas Gorontalo — Gorontalo, Indonesia

- Developed **20+ Standard Operating Procedures (SOPs)** and accreditation tools that improved internal audit efficiency by **30%**.
- Supported academic quality monitoring and continuous improvement initiatives for the health faculty, strengthening institutional standards and compliance.

EDUCATION

Bachelor of Public Health (S.KM.)

Sep 2011 – Aug 2015

Universitas Gorontalo — Gorontalo, Indonesia
